# Exploring hemp's economic and sustainability potential in Southern Waikato

## TOKOROA - WEDNESDAY 15 JUNE 2022

### WHAT CAN HEMP DO FOR YOU? DISCOVER THE POSSIBILITIES

This pioneering industry is on the edge of incredible growth. We're looking for farmers, growers, entrepreneurs and businesses who want to discover how to invest and upskill.

- ✓ Keen to be part of a healthy food and fibre supply chain solution?
- ✓ Want to invest to take your business to the next level?
- ✓ Interested in innovative steps to help develop local regions sustainably?

**RICHARD BARGE**  
(NZHIA)

The NZHIA Chair presents a history of hemp in Aotearoa New Zealand and a new iHemp industry for Southern Waikato.

**JAMES BAILEY**  
(MOMONA FARMS)

Farming iHemp and the potential for the future.

### EVENT & VENUE DETAILS

We explore hemp's economic and sustainability potential by looking at big business in Southern Waikato.

### LOCATION

South Waikato Sports and Events Centre. 15 June 2022, 7:00pm - 10:00pm. In-person or virtual live-streaming tickets available.

**PAUL BOWDEN (SOUTH WAIKATO DISTRICT COUNCIL)**

Innovation and diversification to the South Waikato economy.

**BILL QUINN**  
(ORGANICAG)

Opportunities and differences in production and marketing of iHemp.
