TOUR 2022

FOOD • FIBRE • HEALTH

Exploring hemp's economic and sustainability potential

FROM WHANGĀREI TO GORE • JUNE - JULY 2022

ABOUT

This pioneering industry is on the edge of incredible growth. **We're looking for farmers, growers, entrepreneurs and businesses** who want to discover how to invest, upskill and become part of Aotearoa New Zealand's next billion dollar industry.

DISCOVER THE POSSIBILITIES

- ✓ Keen to be part of a healthy food and fibre supply chain solution?
- ✓ Want to invest to take your business to the next level?
- ✓ Interested in innovative steps to help develop local regions sustainably?

TOUR PROGRAMME

INDUSTRY DISCUSSION

Hear the facts and information you need to know about a new sustainable primary industry. What does it mean and how you can get involved

R & D AND FUNDING

How can we scale the industry, leveraging our R&D ecosystems strengths in new product development, agriculture and tech. Direction of travel and the gaps in the global value chain

WORKSHOPS/HUI'S

Sharing information and identifying the capabilities and strengthens in your region and how hemp can fit into your business plans.

NETWORKING

Meet the industry and co-create the network that will move the industry forward, join the community making things happen. Linking up the industry with local and global markets.

Regional town hall events provide a chance to hear from keynote speakers, network, and connect with key stakeholders. Evening meetings from 7:00pm to 10:00pm, with in-person and online ticket options available.
