# Exploring hemp's economic and sustainability potential in Hastings

## HASTINGS/HAVELOCK NORTH - TUESDAY 28 JUNE 2022

### WHAT CAN HEMP DO FOR YOU? DISCOVER THE POSSIBILITIES

This pioneering industry is on the edge of incredible growth. We're looking for farmers, growers, entrepreneurs and businesses who want to discover how to invest and upskill.

- ✓ Keen to be part of a healthy food and fibre supply chain solution?
- ✓ Want to invest to take your business to the next level?
- ✓ Interested in innovative steps to help develop local regions sustainably?

#### HER WORSHIP THE MAYOR OF HASTINGS DISTRICT, SANDRA HAZLEHURST

Will extend a warm welcome to the NZHIA iHemp Investment & Discovery tour participants.

#### RICHARD BARGE (NZHIA)

The NZHIA Chair presents a history of hemp in Aotearoa New Zealand and a new iHemp industry for the region.

#### HOLLEIGH ELLIS (HARVEST TO HAND)

Explaining their version of hemp seed life from Harvest to Hand.

### EVENT & VENUE DETAILS

We explore hemp's economic and sustainability potential by creating growth partnerships in the hemp industry.

### LOCATION

Havelock North Function Centre - Lantern Gallery. 28 June 2022, 7:00pm - 10:00pm. In-person or virtual live-streaming tickets available.

#### NICKY SOLOMON (NZ FOOD INNOVATION NETWORK)

Developing a hemp-based food or beverage in NZ – who can help and what do you need to think about?

#### GARETH INGRAM (FARMLANDS)

Learning together how to explore alternative land uses.
